

Equine History Collective Virtual Annual Conference 2026

Ways of Being: Equid Experiences of the Five Domains

How do we understand and investigate historical equid experiences? Can frameworks like the Five Domains Model guide our research? What do we learn when we center these species-specific factors in our study of the past? Is it even possible to understand historical equids' affective states and how might equid histories change if we pursue them?

September 25-27, 2026
